General Data Protection Regulation (“GDPR”) Compliance:

The Committee of East Boldre Tennis Club (EBTC) need to hold your name, email address, postal address and contact telephone numbers on our files and database. The purpose of us holding this information is to enable us to keep communicating with you whether about membership, playing tennis, in case of emergency or perhaps by sending you newsletters or information.

If you are happy for us to hold the information above, we would kindly ask you to complete, sign and return the confirmation below, confirming that the EBTC can hold your personal information and contact you by email, telephone and post. The EBTC will NOT share any of your information with any third party without having first sought your express consent. For administrative purposes, our preferred method of communication is by email but we will be unable to do this without your signature below.
