

East Boldre *and beyond* e-newsletter

01 March 2025

Hello Everyone

There's quite a lot of local news this month and a couple of reminders plus the usual monthly police report in our Neighbourhood Watch section. Please don't forget to send in your notices and advertise your events in this free newsletter. And please tell your friends about it or forward a copy to them. They can request a copy on the village website using the link above.

EAST BOLDRE'S COMMUNITY OWNED AND RUN SHOP AND POST OFFICE

Our shop is a year old this month
SO A BIG THANK YOU

for the help and support we've received
from customers near and far. Our staff have been wonderful
and our volunteers have gone beyond everything we could have expected of them.

NOW MORE VOLUNTEERS ARE WANTED!

To continue our success, we urgently need more volunteers to join our team. There is a great variety of roles to suit all levels of skill and experience from baking bread and making sandwiches through to general help in the shop and book-keeping support in the office.

Even if you only have an hour or two a week to spare, we'd love to hear from you.

If you are interested in having a chat about volunteering, either call in, phone or email us

East Boldre Scarecrow Trail 2025 Meeting Monday 3 March

The weekend 28-29 June will be in aid of the Honeypot Charity which is a very popular cause, to showcase the village groups and businesses and make a fun activity everyone can enjoy.

The next meeting will be at the School Fields Hall on Monday 3rd March at 7pm. We are inviting village groups again, some of whom attended the last one, and we'd love to see any residents too who are interested, both in making a scarecrow, have ideas about the weekend or would like to help on the Sunday when the School Fields will host the prize giving and bring the weekend to a close, and villagers together with refreshments at the hall.

HOPe New Forest – More Volunteers Required

HOPE Befriending Service has been welcomed with open arms making a positive impact to the isolated older generation living in our neighbourhoods. Relationships are blossoming and the feedback received from both Client and Volunteers makes it so worthwhile.

“I love our chats the time goes so quickly.”

“I now have a new friend.”

“I enjoy having someone to tell my worries”

“A very nice gentleman. We have been singing, talking about his family, going through photographs”

“I was looking to volunteer for something worthwhile and Befriending has given me so much in return.”

We still need more volunteers to bring some happiness to more of our older people. If you are interested, go to www.hopenewforest.org/befriending

Reminder - East Boldre School Fields Trust Raising the Roof Appeal

School Fields Hall and Playground must raise £25,000 for a new roof. Get ready to help!

'RAISING THE ROOF'

East Boldre School Fields Trust

East Boldre School Fields Hall is a vital community resource. Unfortunately, our old roof is worn out and needs replacing.

A new, modern roof will protect the hall from the elements but will also improve insulation, making the hall more energy-efficient and comfortable for everyone. The committee is working hard to raise £25,000 to get the job done - and we need your help! Together, we can ensure this fantastic resource continues to serve the community for years to come.

Neighbourhood Watch

Fraud Against Learner Drivers

We have received a high number of reports from residents in Hampshire and the Isle of Wight who have been tricked into handing over hundreds of pounds for provisional driving licences, driving lessons and driving tests that do not exist.

Fake social media profiles are being set up by criminals who are taking advantage of the demand for driving lessons and the long waits for driving tests.

For official advice about how to avoid all of the above, including a list of driving instructors who are approved by the Driver and Vehicle Standards Agency (DSVA) please visit: <https://www.gov.uk/find-driving-schools-and-lessons> .

If this isn't relevant to you, please share it with someone who might be interested.

Local Beat Report

In March please join us at one of our Beat Surgeries: We will be joined by members of the Ashurst and Colbury Neighbourhood Watch team at the Happy Cheese in Ashurst at 11am on Tuesday 11th and then an hour later at midday we will be on Brookley Road in Brockenhurst opposite the newly refurbished TESCO.

On Saturday 22nd March we will be holding one of our partner agency meetings in one of the New Forest's many car parks. From 8am for an hour come and see us at

the Moonhills car park on the way to Exbury when we will be joined by Forestry England, the National Park Authority and New Forest DOG.

On Monday 24th join us at the Bramshaw Village Stores at 8am, at 9am outside the Post Office in Bartley and then at the Lyndhurst Parish Council Offices at the Community Centre at 11am.

Our Beat Surgeries last for 30 minutes, unless demand is high of course, but as we always say if you can't come to any of these meetings you can always call or email us, but to report a crime or any anti-social behaviour dial 101 or go the Hampshire and IOW Police website. Of course, if it's an emergency always call 999.

We will also be holding another of our WALKING IN PARTNERSHIP events with Forestry England and as soon as we know the date we will let you know.

There has been a sharp increase in thefts from cars parked across the New Forest since Christmas. In February nine vehicles left locked and secure at Beaulieu Road, Bolderwood, Wilverley Inclosure, Rufus Stone, James Hill, Knightwood Oak and Blackwater car parks were broken into and handbags, rucksacks and purses stolen. Another car was broken into at the car park at the pub in Swan Green just outside Lyndhurst and tools were stolen from a van parked on a driveway on Deerleap Lane. Please take all of your valuables with you and never hide anything in the boot because you don't know who is watching you. And please tell your friends and family. Thank you.

Four bicycles were stolen in February, two from a garden in Lyndhurst and two from a shed in Brockenhurst.

Timber has been stolen from stacks of logs at a site on the Rhinefield Ornamental Drive and Forestry England have asked us to remind you that it is an offence to take any wood from the Forest. Other thefts include heating oil from a tank in Beaulieu, a caravan and gas bottles from Setthorns campsite, a camera and photographic equipment from Denny Wood car park and several motorbikes from the Balmer Lawn garage in Brockenhurst.

There were six shopliftings in February, four at the Tesco in Lyndhurst, one from the camping shop in Lyndhurst and one from the petrol station at Cadnam. We have some excellent CCTV from all of them and are hopeful that the offenders will be identified soon. We are also investigating the theft of petrol from that same petrol station. We call it making off without payment.

Seven sheds and outbuildings were broken into in February in Woodlands, Winsor, Exbury, Colbury and at Ocknell Park and the allotments in Ashurst have also been targeted.

This month's Op Mountie session was one of our quietest. Op Mountie is our multi agency approach to reducing speed and animal accidents across the New Forest where we regularly join forces with our colleagues at Forestry England, the NPA and NFDC. January was a disappointing month with 13 animal accidents reported, compared to only 2 in the same month last year. We held sessions at Matley Wood and Kings Hat for three hours between 6am and 9am and only stopped four cars for recording speeds above the 40mph. One driver was given a speeding ticket for doing 52mph and the others were spoken to by our partners about why the roads in the New Forest are so unique. Of course, that means that the vast majority of drivers did stick to the speed limit for which we are extremely grateful.
