

Summary of Minutes, East Boldre School Fields Trust held by Zoom 7.11.20

For general information.

In addition to usual business considered at the meeting the committee reports the following:

- Following the death of Mr Nick Filby, Trustee since formation of the Trust, Sue Vaughan is to take his place as from the AGM 2021. She will continue to take bookings for the hall.
- New committee members will be sought in the New Year to join the small team from the AGM. To advertise within the village. Please contact the Chair or Secretary if you are interested.
- Tree work along Main Road and the lane adjoining the site now completed.
- Nature Play equipment has been fitted on the field. All agreed this looks delightful, is robust and ideal for the under 5`s.
- Tidying of boundaries within the field to continue, followed by fencing work around the car park and by the hard court area.
- The committee will now look at projects and maintenance issues for the coming year, and apply for funding to make this possible. Potential works will include replacing both cattle grids, cladding repairs to the hall, roof repair/replacement, additional seating around the site and possibly outdoor adult fitness equipment.
- No bookings at this time; the committee is hopeful that the situation will change in the New Year (subject to government guidelines at the time).
- No tennis has been played; it is hoped that play can resume when the current lockdown is lifted.
- Next committee meeting: January 2021, TBC.

Committee meetings are not generally open to the public as the AGM is the forum for the public. Please send any questions and comments in writing to the Secretary for the committee to consider at the next meeting.

We hope you find this report useful, and if you would like to be involved, or help at events we would be very pleased to hear from you.
