

Summary of Minutes, East Boldre School Fields Trust held 9.9.19

For general information.

In addition to usual business the committee considered the following at the recent meeting:

- Applications for funding to be made over the next months for Nature Play area and general maintenance costs
- Regular bookings held through the Summer; to ensure hirers are aware of T&C's
- To decide on actions for roadside tree line, planning, funding for work etc
- To place two Disabled markers either side of the path to reserve spaces for the less able to access the hall more easily

The most important item to report is the committee reluctantly agreed to cancel this year's village Bonfire Night. We have not been able to find alternatives for parking along the road and access to the site. The committee sincerely hopes that this very popular event, and major fundraiser for the Trust can resume in 2020. Meanwhile we will begin work on a fete to be held next Spring/Summer. Thank you to everyone has helped make the Bonfire Night event such a success so far.

To ensure the hall, playground and field continue to be maintained and improved for the village an appeal letter will be posted throughout the village shortly. We hope you will be able to support the work being done by the small committee on your behalf. If you would like to be involved or help at events we would be very pleased to hear from you.
