

Summary of Minutes, East Boldre School Fields Trust held 16th July 2019

For general information.

In addition to usual business the committee considered the following at the recent meeting:

- Our first Summer BBQ reviewed: @80 attended on the hottest day of the year. An enjoyable time and an event the committee would to hold again in two years as next year the Spring Fete will be held again
- Objectives for the year assessed: ongoing general works in hand; to begin applying for funding for maintenance and projects, including the new Nature area for toddlers by the hall.
- Tennis club reported that junior tennis has been very well attended; hope to continue in the Autumn term then again next Spring
- An extraordinary meeting to be held next week to discuss potential land licencing suggestion in connection with the new village Hub
- Bonfire Night: Parking limitations in the area may prevent the event going ahead in future. Final decision to be made at next meeting. This has been the major fundraiser for the Trust and the only major village held. Any ideas for available fields/park and ride etc please contact Chair or Secretary

We hope you find this report useful, and if you would like to be involved, or help at our events we would be very pleased to hear from you.

Please note that from March 2019 all Minutes will be available to read on our website.
